

# Checkpoint Learning Corporate Advancement Package

Complete training and continuing education solution for corporate professionals

The hours you invest annually in education should yield the highest possible dividends for your personal skill set and for your business. Checkpoint Learning has designed a comprehensive training and continuing education package with the corporate professional – from staff accountant to controller or CFO – in mind.

Corporations struggle to grow their businesses and understand the ever changing landscape around state, local, and federal tax law implications from sales tax to business income tax rates and more. The Checkpoint Learning Corporate Advancement Package will help professionals understand complex issues, stay abreast of news and updates, and remain compliant with continuing education requirements across several jurisdictions.

Your subscription includes access to 200+ online study courses, over a dozen webinar titles, and the industry's best online CPE tracking and monitoring system.

## Online Courses

With self-study courses online, you can learn at your convenience.

"I really like my Checkpoint Learning subscription! Checkpoint Learning lets me know conveniently in one place how close I am to meeting my CPE requirements for multiple licenses. There is a great variety of course topics, delivery methods, and hours offered per course. Video and audio clips, diagrams, and questions reinforce learning. The annual subscription price is very affordable, and the quality of the courses is very high."

– James O. (Joe) Bailey, CPA, EA
